

## Alternative Grease Control Equipment Design/Exemption Request Form Food Service Establishments

Please check the box that applies to the request:

- I am requesting permission to install an Alternate Grease Control Equipment (GCE) Design(s) from that which is specified, based on Food Service Establishment (FSE) class, within the SD1 Fats, Oils & Grease (FOG) Management Policy.
- Alternate Design Requests will only be considered if the Alternate GCE Request meets all criteria stated within Sections 8.3.1, 8.3.2, 8.3.3, 8.3.4 and 8.3.5 of the Plumbing & Drainage Institute publication titled **Standard PDI-G 101 Testing and Rating Procedure for Hydro Mechanical Grease Interceptors – Revised March 2010**.  
<http://www.pdionline.org/publications.htm>
- I am requesting an exemption from the requirement to install any form of GCE.
- Per SD1 FOG Management Policy, Exemption Requests will only be approved for Single Service Kitchens with no onsite food preparation (heat and serve only) and which use only disposable dishes and service ware (utensils).

## Section B – Alternative GCE Design Justification

Please include, in sufficient detail, the calculations used to determine the proposed Alternative GCE Design. Consideration will only be given to those requests that use the Plumbing & Drainage Institute document referenced above. All calculation methods must use a one minute drainage period for all fixtures. Please include additional pages if needed. *Please note: This section is not applicable to those applying for a GCE Exemption.*

## Section C – Justification for GCE Exemption

Please include, in sufficient detail, justification for why an exemption from GCE installation should be granted to the FSE. Keep in mind, Exemption Requests will only be approved for Single Service Kitchens with no onsite food preparation (heat and serve only) and which use only disposable dishes and service ware (utensils). *Please note: This section is not applicable to those applying for an Alternative Design Request.*

## Section D – Authorized Representative Statement

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete.

**I am aware that an SD1 Inspector will inspect the GCE, as well as, all fixtures used in the calculation of final GCE design before Final Acceptance will be granted. Keep in mind, any discrepancies between what was approved by SD1 Plan Review and what is discovered on-site by the SD1 Inspection Group must be rectified before SD1 Final Acceptance will be granted.**
